Dewan of Mysore,

Sir,

With reference to your Kanarese *yadi No 427, dated 22d ultimo, I have the honor to state that one Dasa Setty has built a neat chutram, in the main Street of Yedatore at a cost of about Rupees 5000, and has been feeding therein travellers at nights. With a view to make this charity a permanent institution, the Sowcar wishes to endow it with some Valuable lands from the produce of which the feeding and maintenance of the Chatram may be carried on. The lands he has decided to set apart, are described in the annexed Statement, and bear an

* Yadi with enclosures are herewith re-turned.

An assessment of Rupees ——————— 206-6-8, (Vide margin) At the same time, he prays that the indulgence shewn to Chutrams, under Clause 2, Appendix G, of the Mysore Land Revenue Code, might be extended to his Charity also, and that the reduction of assessment — allowable — on unoccupied lands granted in his Case on the assessment due on the wet lands. There are no eligible unoccupied lands in the Yedatore Taluk, and even if such lands are found, they are likely to be valuable. Though the petitioner's request is not thus entirely covered by the rules, I recommend it for the favourable consideration of Government, as this arrangement is easier than sanctioning the grant of waste lands which are capable of fetching a price in the market. Under the rules, lands paying an assessment of 90 Rupees, may be given on a Jodi of 9 Rupees and accordingly, the wet lands in his holding and paying an amount of about 90 Rupees may be granted to him on Jodi tenure, and made out in the name of the Idol of Ganaputti established in the chutter.

2: The Muzrai officer Mysore District reports that the chutram is in good condition, and of great use to the public, and I have also inspected it. The founder is willing to transfer the lands in favor of the idol, and is also agreeable to Government taking up the management, if the Charity should not at any time be properly administered.

Her Highness the Maharanee
regent Vanivilas Sannidhana
C. S. I

The humble applicant of Dasasetty of Yedatore, most respectfully Sheweth?

That Her Highness' most humble applicant has established an anna chattram at Yedatore (a place of piligramage and Historical fame) for the purpose of feeding the travellers especially during night times, as there is no other place intended for this most important purpose in this place.

Apart from the construction of a building with a cost of Rs 5000/- which has already been made over to the Government, an endowment of 30 acres of land (both wet and garden lands) has been set aside to meet its maintenance

That to the gradual increase of the No of guests from 15 to nearly 150 up to date from its starting, and even, prohibition of the [illegible] latter still being increased to its five-fold; in so soon after the completion of the Cavery bridge which may not be later than 2 months hence, ~~have comp~~ the humble applicant is quite unable to maintain this institution from the endowed property, the produce of which will scarcely suffice even for three months.

Under such circumstances the petitioner has solely sought for Her Highness' gracious assistance & prays~~ing~~ for the permission to purchase some 50 acres ~~of land~~ near Gandanahalli under allal Katte improvement channel at Rs 50 per acer, in the name of sidha Ganapati an idol established in this Chutram, as Her Highness has graciously granted to one amildar Sree-cantiah for Nanjanagud Sreecantaswami's temple on jodi assessment.

As this institution has solely been established in a token of his (petitioner's) gratitude towards Her Highness the young Maharaja Sree Krishnarajendra Vodayer Bahaddur, for whose long life and prosper-rity, this charity is intended, he will most

most respectfully pray that Her Highness will graciously comply with this humble request and add this to her innumerable paramount meritorious deeds.

He begs to remain
Her Highness
most obedient and
humble and ever grateful
